

Some of the eggs in Gabi's nest are starting to hatch and have escaped. Can you find 8 eggs with letters on to make up 2 words?

Hint: It's where the River Crouch ends up

DID YOU KNOW?

Brent Geese spend the winter on the Essex coast? They come from the Siberia between October and February. Although it is winter for us at that time, it is much colder in the Arctic so they come for their summer holidays.

What do you get if you cross a goose with a cow?
A moose!

RIDDLE 1

I can honk without using a horn, what am I?

From Burnham-on-Crouch between April and September, you can catch the Burnham Ferry or go on a seal watching cruise. Don't forget your binoculars and always wear your life jacket!

RIDDLE 2

What can run but not walk, has a mouth but never talks?

In the spring, you can see lambs at Marsh Farm. Which lamb makes it to the barn?

Gabi the Goose says
TIDAL RIVERS CAN BE DANGEROUS!

Never jump or dive into them. Keep clear of the mud on the marshes and check with the safer seas and rivers app before you swim.
