sami the Seal says

STAY BEACH SAFE!

To have a fun and safe time at the beach remember:

Stay in sight of an adult when playing at the seaside!

Be careful climbing on rocks they may be slippery!

Tides and currents can be dangerous! Don't swim too far out and keep away from the pier!

Don't use inflatable boats or toys if its breezy as they are easily blown out to sea.

If there is trouble at the seaside call 999 and ask for the coastguard.

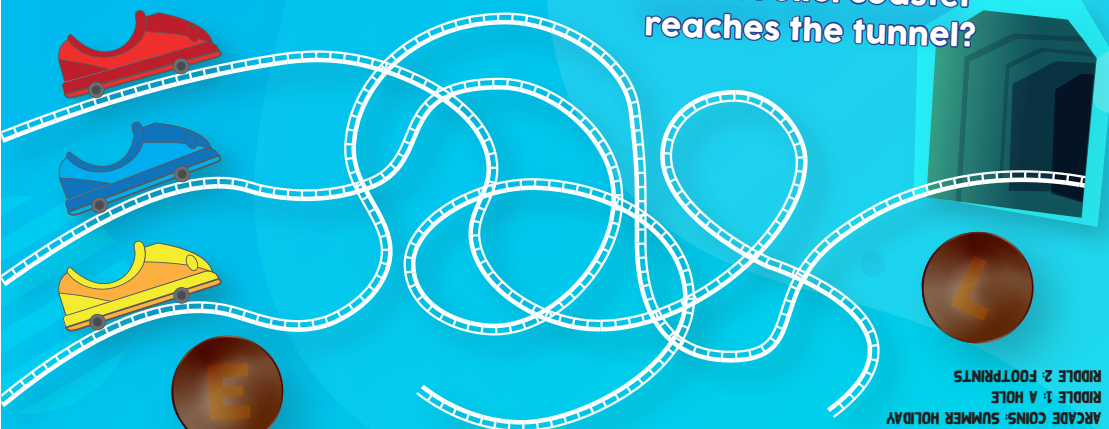

Red and yellow flags mean lifeguards are on patrol.

Red flags mean it is dangerous to swim and you should not enter the water.

Black and white flags indicate the area is being used by surfers and it is unsafe for swimmers.
